CONFIDENTIAL 108/12: CIN REP82-00457R067900660004-3 <sup>•</sup>Approved For Release •2003/08/12 : 25X1 The eastern section of the Luetzendorf Kaserne quartered about 400 troops with red-bordered black enaulets, including some with artillery insignia. Notor vehicle was observed there. The central section of the billeting area was occupied by about 700 troops 25X1 artillery insignia. Motor vehicle who wore black-bordered black epaulets, some with signal insignia.

Vehicles were observed with the were observed with the troops. The western section of the Luctzendorf Kaserne housed a hospital, near which was observed. The gun emplacement at the gas works was vehicle still unoccupied on 29 April. (3) The Euclier Kaserne quartered about 400 troops who were black-bordered black enaulets, including some with signal insignia, Loter vehicles apparently belonged to these troops. (4) 9. The Flieger Maserne, Mohra, still quartered about 4,000 troops who wore red-bordered black epaulets with tank and artillery insignia. Dospite the large number of troops, hardly any training activity was observed on 23 and 30 April. Apart from numerous fresh tank tracks and the loud noise of motors, no movements were, noticed, Lotor vehicles 25X1 and vehicles 25X1

	Comments	
(1)	The information indicates no change in the occupation of the Flak Kaserne.	
•	•	
(2)	a small unit of troops	
	wearing red-bordered black epaulets is quartered in the eastern section of	
	the Tannenberg Maserne. Its identity had not been determined, however.	
	The central section of the billeting area is occupied	
	by the 257th Motor Trans Bn of the Eighth Gds Army. The battalion may have	
	been absent from the installation for a short period of time,	25X1
	the barracks section to have been vacant in the second half	
	of April 1951, whereas the present report does not indicate the absence of	
	the unit.	
(3)	The information indicates that the eastern section of the Luctzendorf Kaserne	
	still quartered a component of the 13th AAA Div of the Eighth Gds Army	
	although that also this unit had been away from the	
	installation in the second half of April 1951.	25X1
(4)	The Whoth Sig Bn of the Eighth Cds Army is carried in the Mueller Masorne.	
• • •		
(5)	According to previous information by	25X1
	all months of the 20th Cde Many Div with recket lounchers and health mortage	

left the Nohra Fliegerhorst on 18 April 1951, probably going by rail to

were observed in the billeting area. (5)
